

BEGGARS PIZZA®

FROZEN Par-bake Directions

**At Beggars Pizza We Lay It On THICK
so our frozen pizzas require an unusual cooking
method to achieve the best results!**

1. Place frozen pizza on a baking sheet and place in the oven. ***DO NOT pre-heat oven!**
2. Heat oven to 350 Degrees and cook for approximately 25 minutes.
3. Turn oven to 450 Degrees and cook to desired doneness, approximately 8-12 minutes or until cheese is golden brown throughout.

****PIZZA WILL BE EXTREMELY HOT AND MAY DRIP INGREDIENTS****

Remove pizza from the oven and let it sit for a few minutes before cutting, then rest for a few more minutes before eating! It will be extremely hot!

***HOW WILL I KNOW WHEN MY PIZZA IS DONE?**

Start Checking for doneness at 15 minutes.

We like for the pizza to be golden brown, if you like it lighter make sure that you still see some golden spots on the cheese before taking out to be sure it is fully cooked. If you like it darker, check often, it can go from perfect to burnt quickly!

ENJOY!
