4. Bake for 10-12 minutes or until golden.

MAKE OUR DEEP DISH COOKIE AT HOME!

1. Preheat oven to 325 Degrees
2. Take a small/medium pan and butter or spray with non-stick cooking spray.
3. Push dough down until it is evenly distributed and the same height.
4. Bake between 15-20 minutes.
Look for a golden color throughout.

Be Careful not to overcook, nothing worse than an overdone deep dish cookie!

Please cook thoroughly, cookie dough is raw.

**TRY IT WARM TOPPED WITH ICE CREAM!
